Is stimulation felt?  
YES                         NO

Is max Amplitude reached?  
YES NO

STOP

Increment Amplitude by 0.1 mA

Reduce Amplitude by 0.2 mA

Is stimulation felt?  
YES                          NO

Paresthesia Threshold =  Present Amp

Increment Amplitude by 0.1 mA

Is stimulation felt?  
YES                          NO

Increment Amplitude by 0.2 mA

Is stimulation felt?  
YES                          NO

Is stimulation strong?  
NO                 YES

Reduce amplitude by 0.1 mA

Comfort Level =  Present Amp

Is stimulation comfortable?  
YES                           NO

Comfort Level =  Present Amp
